Feed the Future Scholarship Application

Application Questions:

Community Involvement/Volunteer History. Please indicate all volunteer service during high school. (i.e. the organization(s) involved and the nature of the volunteer work). Please indicate the approximate total number of hours volunteered in each year (indicate planned hours for senior year).

Athletic / Non-Athletic / School Activities. Please indicate your participation in any of the additional activities. Indicate how many hours per month you are usually involved in these activities.

Work History. Please indicate the approximate number of hours that you worked per week during the school year. Provide the reason that you worked and any additional information about the duties and responsibilities in your job(s). We are particularly interested in work experience that displayed leadership or management skills.

Accomplishments. Indicate any other accomplishments you may have achieved. List any accomplishments, responsibilities, leadership, or other noteworthy activities.

Why You. Tell us why you should be awarded this scholarship and what you plan to use the funds for.

Please return application and two references by October 16th, 2026 to:
